

SALES – RESIDENTIAL and COMMERCIAL TECHNICAL

Sunlight Solar Energy, Inc. is a growing national company with offices located on the East and West coasts: MA, CT and OR. We are a progressive company specializing in the sale, design, and installation of residential and commercial grid-tied photovoltaic systems.

Position: SALES – RESIDENTIAL/COMMERCIAL TECHNICAL

Location: PA/NJ

Job Description:

1. Follow-up with customers that have already contacted Sunlight Solar Energy
2. Meet and explain solar electricity to customers
3. Perform on-site evaluations (this includes safely climbing on the roof)
4. Finalize quotations and present to customers

Qualifications: Previous solar experience, NABCEP certified (preferred), strong MS Excel knowledge, attention to detail, very well-organized, a clean and professional appearance. Also extremely important is communication and customer service skills, ability to work well with people, comfortable using ladders and safety equipment on high and steep roofs, and knowledge of building construction.

What we offer: Position with an opportunity for personal and professional development; health and dental benefits.
